- **Fast pre-heating**

Model LOG2 - 14" x 24" - 7 gauge - 2 Burner

Model LOG4 - 24" x 24" - 7 gauge - 4 Burner

Care Instructions:

Wash with soap and water before using. For best results use low to medium heat. When not in use, always use a light coat of cooking oil to prevent rusting. If rust occurs, use a wet / dry automotive 220 grit sandpaper to polish damaged areas.
